

Great Healthcare Staff for your facility

Our success in exceeding the challenges of healthcare staffing involves an extensive search for the best clinical professional to meet your needs. Our stringent screening process evaluates skills, credentials, and clinical competencies. We're constantly networking across a broad category of clinical disciplines, so your staffing needs are always covered with licensed, professional, and qualified healthcare employees.

- **Per-Diem / Temporary**
- **Temporary to Hire**
- **Direct Hire**
- **Contract services**
- **Outsourcing**

Our standards and expectations are high, and integrity and quality are our core values. Whatever your staffing needs, RTP Healthcare Staffing has the professionals to help accomplish your organizations goals.

A Company you can Trust

RTP Healthcare Staffing is one of the most recognized and trusted names in healthcare staffing for more than 15 years. We make staffing easy for hospitals, clinics and surgery centers by handling every aspect of the process. We strive to ensure that the most talented professionals are part of your team. These unique competitive advantages grant our clients a better selection of candidates as well as a faster response time and more reliable service to our clients.
